

Efficient Resource Management: Testimonials

Thurrock Borough Council Waste Analysis:

"The results M·E·L produced clearly showed the composition of the waste stream. It demonstrated successes with some materials at kerbside recycling scheme."

John Byford, Thurrock Borough Council

London Borough of Bromley Food Waste Trial Waste Analysis:

"The service was very efficient, with an excellent understanding of the rationale behind the analysis, and the key issues which needed to be demonstrated."

John Woodruff, London Borough of Bromley

Kent County Council Waste Analysis:

"M·E·L were responsive to our requirements and were professional at all times. The teams they sent out were well trained and motivated."

Tilly Bayes, Kent County Council

Northumberland County Council Waste Analysis:

"M·E·L were good at organising the project, the reporting was good, very thorough and in depth."

Sheila Johnson, Northumberland County Council
